LAVABO MONTECATINI

Disegnato nel 1936, il lavabo Montecatini è parte dell'innovativo progetto di Palazzo Montecatini a Milano, ideato da Gio Ponti in ogni minimo dettaglio.
Un lavabo d'avanguardia nel volume, nel disegno ed anche nel colore. Una forma geometrica, lineare ed architettonica, in accordo con le linee degli anni '30, di colore nero perché fosse insieme divertente e funzionale, innovativo anche per il particolare scarico laterale.
Un oggetto bello e intramontabile che Mamoli ha rimesso in produzione nelle versioni a parete o da appoggio, nei colori bianco e nero opaco, da completare con la rubinetteria della serie Gio Ponti in inox o ottone spazzolato per un intramontabile bagno di design.

ACCESSORI BAGNO

I dettagli sono ciò che fa la differenza, per questo Mamoli propone una linea di accessori bagno che completa la collezione Gio Ponti. Porta asciugamani, portasapone, porta dispenser e appendiabiti sono disponibili nelle stesse finiture della rubinetteria.

Spare parts: we recomm.end using original Mamoli parts only, available through authorized retailers.
