Questa collezione storica dal sapore Decò è una fedele riedizione di un progetto originale Mamoli prodotto nel 1938. Prende il nome dall’anno in cui è nata come omaggio alla storia dell’azienda e riprende l’estetica e l’immaginario tipico degli anni ’30. Le linee decise e la forma squadrata della bocca di erogazione, così come le manopole a stella, richiamano infatti lo stile decorativo di quel periodo. I disegni tecnici dell’epoca sono stati studiati ed adattati alle esigenze attuali permettendo di ricreare tutti i componenti in ottone e le maniglie con preziosi intarsi con finitura PVD.

This historic collection with a Deco flavour is a faithful re-edition of an original Mamoli project produced in 1938. It takes its name from the year it was born as a tribute to the company’s history and recalls the aesthetics and imagery typical of the 1930s. The bold lines and square shape of the spout, as well as the star-shaped knobs, recall the decorative style of that period. The technical drawings of the time were studied and adapted to current needs, allowing all the brass components and handles to be recreated with precious inlays with a PVD finish.
